Commissioner For Patents

Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicant hereby direct the Examiner's attention to the references (AA-AZ) listed on the attached revised Form PTO-1449 entitled "List of References Cited by Applicant." Copies of these references are not enclosed herewith, as they can be found in the file of the parent application no. 10/116,358, filed April 5, 2002, which is currently pending. However, copies of these references will be provided if requested by the Examiner

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith several pages of a "revised Form PTO-1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the foregoing references and make them of record in the file history of the application by executing and returning the revised Form PTO-1449.

Pursuant to 37 C.F.R. § 1.97(b)(3), this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, so that no fee is believed to be due. However, should the Patent Office determine otherwise, please charge the required fee to Pennie & EdmondsLLP Deposit Account No. 16-1150.

Respectfully submitted,
